

Compatibility Matrix by Hardware Model

Use this matrix to purchase ForeScout approved OEM components directly from our electronics distribution partner Arrow Electronics. Clicking on the links will take you to Arrow.com.

Please note; Only the part numbers listed on this Compatibility Matrix are ForeScout approved. Any alternative parts Arrow Electronics may offer may not be drop-in replacements and may not work with your ForeScout product.

Your Hardware Model Number is labelled on your hardware appliance. If you have any further compatibility questions, please reach out to your ForeScout Sales Representative.
