

End-of-Life Announcement

Forescout CounterACT® version 8.0

November 1, 2020

As of November 1, 2020, Forescout has begun the End-of-Life process for Forescout CounterACT version 8.0. To provide a bridge between the old and new Forescout End-of-Life policies, the following timelines will apply to CounterACT 8.0.

- Full support will end on April 30, 2021
- Limited support will be available from May 1, 2021 to October 31, 2021
- CounterACT 8.0 will reach its End-of-Support life on October 31, 2021
- Forescout will not offer support for CounterACT 8.0 effective November 1, 2021

Forescout product name	End-of-Full support (transition to limited support)	End-of-Limited support (last support date)
CounterACT 8.0	April 30, 2021	October 31, 2021

For definition of Full support and Limited support, please refer to the [Forescout End-of-Life Policy](#). End-of-Life information for other software versions is available [here](#).

Customers can upgrade to Forescout 8.2 and take advantage of several new capabilities to secure their Enterprise of Things (EoT):

- **New Persona-based interface:** Pinpoint and proactively mitigate risks with device context
- **eyeExtend Connect app ecosystem:** Extend the power of the Forescout platform with apps
- **Cloud-first flexibility:** Deploy Forescout appliances in AWS and Azure public clouds
- **Enterprise-wide segmentation:** Design and implement confidently with Forescout eyeSegment
- **Integration with Forescout eyeInspect (formerly SilentDefense):** Gain in-depth device visibility for ICS networks
- **Modern NAC in Arista environments:** Secure network access with or without 802.1X

Please note:

- Customers who require Common Criteria certified versions can upgrade to Forescout 8.1 ([certified as of March 16, 2020](#))
- Customers running Forescout 8.0 on CTR/A and 5110 appliances should upgrade to Forescout version 8.1.4

Our Professional Services team is ready to help if you need assistance upgrading to a supported version of the Forescout platform. Please contact your account team or your preferred channel partner to discuss options that suit your needs.
