Licensor shall maintain the confidentiality of all company information to be regarded as confidential that Licensor obtains from or while on the premises of Licensee within the context of the investigation, in so far this information does not relate to the use of the Licensed Software itself. In the event that any audit reveals an underpayment by Licensee of more than five percent (5%) of the amounts due Licensor in the period being audited, or that Licensee has breached any term of this License Agreement, then, in addition to any other remedies Licensor may have, Licensee will promptly pay to Licensor any underpayments and the cost of the audit.

8. Intellectual Property Rights

All Intellectual Property Rights to the Licensed Software or other materials such as analyses, designs, Documentation and other documentation, reports, quotations and related preliminary material developed or made available to Licensee on the basis of this License Agreement shall remain exclusively vested in Licensor or its licensors or suppliers. This License Agreement does not convey any intellectual property interest to Licensee with respect to the Licensed Software or Documentation other than the license specified herein.

9. Confidentiality and Privacy

- a) Licensee acknowledges that the Licensed Software is of a confidential nature and that this Licensed Software contains trade secrets of Licensor or its licensors or suppliers.
- b) The Licensed Software may contain features which may allow Licensee to collect personal data of employees or other individuals without notice to them. Licensee is solely responsible for, and assumes all liability with respect to, the collection or processing of all personal data. Licensee shall indemnify and hold Licensor harmless from and against any damages, claims, losses, settlements, attorney's fees, legal fees and court costs and other expenses related to any such activities or any claims in connection therewith.

10. No Warranty

Licensor does not warrant that the Licensed Software made available to Licensee will be fit for the actual and/or intended use by Licensee. Licensee accepts that the Licensed Software may not operate and function without interruptions, Errors or other defects or that not all Errors and defects may be fixed. Licensee specifically understands and accepts that the Licensed Software may not detect all network intrusions.

Licensor shall make every effort to fix Errors in the Licensed Software within a reasonable period of time if Licensor receives a detailed written notification of these Errors within a period of ninety (90) days following delivery of the Licensed Software ("**Warranty Period**"). Licensee's exclusive remedy and Licensor's entire liability, whether in contract, tort or otherwise, for failure to comply with the foregoing obligation, Licensor will, at its discretion, do one of the following: (x) use reasonable commercial efforts to correct the Error; (y) replace the Licensed Software at no additional charge; or (z) refund the license fee and terminate Licensee's license to the Licensed Software.

Licensor shall use commercially reasonable efforts to fix Errors free of charge during the Warranty Period, provided that Licensor shall not fix any Errors or other defects arising from or related to any of the following ("**Excluded Service**"):

- i. usage errors or the improper use of the Licensed Software, including errors that occur during the data input process or in the data itself;
- ii. changes to the Licensed Software other than those carried out by or on behalf of Licensor;
- iii. use of the Licensed Software contrary to the applicable conditions or contrary to the instructions in the Documentation or other instructions of Licensor;
- iv. changes to or errors, defects or shortcomings in the System or Licensed Software that are not included within the scope of the Maintenance to be carried out by Licensor;
- v. the use of an older version of the Licensed Software that is no longer maintained by Licensor;
- vi. the recovery of scrambled or lost data; or
- vii. other causes that are not attributable to Licensor.

Licensor shall be entitled to invoice the costs of fixing Errors at its standard rates for Excluded Services. Licensor shall not be obliged to fix Errors if Licensee has made changes to the Licensed Software, or has arranged for this to be carried out, without the written consent of Licensor.

The fixing of Errors shall take place at a location to be determined by Licensor. Licensor shall be entitled to install temporary solutions, workarounds or problem-avoiding restrictions in the Licensed Software at any time.

EXCEPT AS EXPRESSLY SET FORTH ABOVE, LICENSOR DISCLAIMS ALL OTHER WARRANTIES, EXPRESSED OR IMPLIED, INCLUDING BUT NOT LIMITED TO THE IMPLIED WARRANTIES OF TITLE, NONINFRINGEMENT, MERCHANTABILITY AND

FITNESS FOR A PARTICULAR PURPOSE (REGARDLESS OF ANY KNOWLEDGE OF LICENSEE'S PARTICULAR NEEDS) AND THOSE ARISING BY STATUTE OR OTHERWISE IN LAW OR FROM A COURSE OF DEALING OR USAGE OF TRADE.

11. Indemnity third-party software claims

Licensor shall defend Licensee against any legal claim from third parties based on the assertion that the Licensed Software infringes the patent, copyright, trademark or trade secret rights of the third party, provided that Licensee (i) promptly notifies Licensor in writing of such claim, (ii) does not make any admission as to liability or agree to any settlement or compromise the claim without Licensor's prior written consent; (iii) at Licensor's request, gives Licensor the sole power to conduct all negotiations and litigation, and to settle all litigation, arising from such claim; and (iv) provides Licensor with all available information and assistance as Licensor may reasonably require. In addition, Licensor shall indemnify and hold Licensee harmless from and against all damages, liabilities and losses finally adjudicated or settled in connection with such claim. This Article does not apply if any infringement arises from any addition or modification made to Licensed Software or combination of the Licensed Software with software or hardware not provided by Licensor (except to the extent that the claim is based on the Licensed Software alone), other than by or under the authority of Licensor. If the Licensed Software is held to infringe or is believed by Licensor to possibly infringe, Licensor shall have the option, at its expense, to (i) modify the Licensed Software to be non-infringing; or (ii) obtain for Licensee a license to continue using the Licensed Software. If Licensor determines it is not commercially reasonable to perform either of the above options, then Licensor may at its option elect to terminate the license for the Licensed Software and refund the fees paid to Licensor by Licensee for Perpetual Software Licenses on a five year amortization schedule from the date of the Order or refund the fees pre-paid to Licensor by Licensee for Annual Software Licenses for the remaining unused portion of the annual term. THIS SECTION STATES LICENSEE'S SOLE AND EXCLUSIVE REMEDY FOR INFRINGEMENT OR CLAIMS ALLEGING INFRINGEMENT.

12. Limitation of Liability

LICENSOR'S CUMULATIVE LIABILITY IN CONTRACT, TORT OR OTHERWISE ARISING OUT OF OR IN CONNECTION WITH THE LICENSED SOFTWARE, OR LICENSOR'S AGREEMENT WITH LICENSEE, SHALL NOT EXCEED THE LICENSE FEES PAID BY LICENSEE FOR THE LICENSED SOFTWARE IN THE TWELVE MONTHS PRECEDING THE EVENT GIVING RISE TO THE CLAIM. IN NO EVENT SHALL LICENSOR OR ITS DEVELOPERS, DIRECTORS, OFFICERS, EMPLOYEES, AFFILIATES OR SUPPLIERS BE LIABLE FOR SPECIAL, INDIRECT, EXEMPLARY, INCIDENTAL, PUNITIVE OR CONSEQUENTIAL DAMAGES (INCLUDING ANY DAMAGES RESULTING FROM LOSS OF USE, LOSS OF DATA, LOSS OF PROFITS, LOSS OF SAVINGS, LOSS OF BUSINESS OR OTHER ECONOMIC LOSS). THE FOREGOING LIMITATION SHALL APPLY REGARDLESS OF THE CAUSE OF ACTION UNDER WHICH DAMAGES ARE SOUGHT AND EVEN IF LICENSOR OR A REPRESENTATIVE OF LICENSOR HAS BEEN ADVISED OF THE POSSIBILITY OF SUCH DAMAGES.

13. Miscellaneous

Licensor and Licensee are not entitled to assign rights and obligations of this License Agreement to third parties without prior written consent of the other party. However, notwithstanding the foregoing, Licensor may assign this License Agreement in its entirety to (i) any affiliate of Licensor; (ii) any successor in interest to Licensor by way of merger or consolidation; or (iii) a purchaser of all or substantially all of the assets of Licensor, provided that the assignee agrees in writing to be bound by all of the terms and conditions of this License Agreement. This License Agreement shall be binding on and inure to the benefit of the successors and permitted assigns of the parties. This Agreement constitutes the entire agreement between Licensor and Licensee with respect to the subject matter hereof, and supersedes all prior agreements, understandings and negotiations, both written and oral, between the parties with respect to such subject matter. No waiver, amendment or modification of any provision of this Agreement shall be enforceable against a party unless it is in writing and signed by such party.

14. Applicable Law and Dispute Resolution

- a. This License Agreement and any ensuing agreement shall be governed by and construed in accordance with the laws of California. The UN Convention on Contracts for the International Sale of Goods will not apply.
- b. Any dispute between Licensor and Licensee arising from this License Agreement and/or any ensuing agreement shall be exclusively settled by the competent court of Santa Clara, California.
